Professional Experience

Full Stack Developer Intern — IBM SkillsBuild | 2 Months

- Developed and integrated frontend and backend components for web applications using JavaScript technologies, working across UI development, API integration, application logic, and testing.

WordPress & Shopify Developer — DevelopersLife.in | 6 Months

- Developed and customized responsive WordPress and Shopify websites, translating UI requirements into production-ready pages with integrations, performance optimization, SEO-friendly structure, and responsive user experiences.

Freelance Web Developer & Graphic Designer

- Delivered end-to-end web solutions for clients, handling requirements, UI development, integrations, optimization, deployment, and communication while adapting solutions to business and user needs.

Featured Projects

- **Medample — Smart Healthcare & Diagnostics Platform | MERN, Cashfree, Cloudinary**
Built a full-stack platform for medicine services and diagnostic booking with secure authentication, payment integration, invoice generation, email notifications, and cloud-based deployment.
- **LegacySphere — University Alumni Networking Platform | MERN**
Designed and developed an alumni ecosystem featuring dashboards, community engagement, mentorship, events, announcements, badges, and platform-based opportunities.
- **SURI — Sign Language Communication Platform | AI / Computer Vision**
Developed an assistive technology concept using computer vision and AI to support sign-language-based communication.
- **Face Expression Recognition System | Python / Machine Learning**
Developed a machine-learning computer vision application for detecting and classifying facial expressions.

Education

- B.Tech. in Computer Science & Engineering
- A.K.S. University, Satna, Madhya Pradesh | CGPA: 8.08/10 | Expected 2027

Certifications

- Python & DSA — Udemy | Hitesh Choudhary
- Full-Stack Web Development — University Certification
- Microsoft Certification Program — University

Achievements

- 4th Rank — National Conference Poster Presentation
- Campus Mantri — GeeksforGeeks
- Research Paper Published — IJAIRRE
- Participant — Smart India Hackathon (SIH)
- Leadership Award | Team Management
